ABOUT OUR TEAM BUILDING

Our Team Building fosters a feeling of trust among team members, enhances communication skills, and deepens insights into individual strengths and weaknesses. This, in turn, reduces the likelihood of conflicts and minimizes misunderstandings within the team.

Expected Learning outcomes

1. High performance and more cohesive teams
2. Increased productivity
3. Improved horizontal and vertical communication
4. Increase collaboration among team members
5. Recognition of individual differences in strengths and weaknesses
6. Effective problem solving and decision making
7. Enhanced self-confidence and engagement
8. Better stress management
9. Enhanced creativity

Key Team Building Training Benefits

- ◆ Enhanced capability to contribute revenue growth
- ◆ Enhance Customer Satisfaction & Retention Skills
- ◆ Enhanced employee morale, productivity & collaboration
- ◆ Reduces employee turnover
- ◆ Enhanced internal/external Communications

TEAM BUILDING TRAINING EXECUTION PHASES

We deliver the experiential team building training in three phases as follows, for effectiveness and maximum collaboration of participants.

◆ PRE-TRAINING PHASE

Stan Consulting Group Ltd shall hold a de-briefing session with participants and communicate the need for this training. This session will help to identify GAPS that impede team cohesiveness and design gaps closure strategies

◆ TRAINING PHASE

This training phase will ensure that we,

- Invite the participants to state their expectations for the training
- Administer a pre-training questionnaire to assess the entry levels of the participants at the beginning of the training.
- Administer the training to all participants in a timely manner.
- Use interactive teaching methods to ensure maximum participation of participants
- Training Resources (to be provided by Stan Consulting Group Ltd)]

◆ POST-TRAINING PHASE

Stan Consulting Group Ltd shall administer a post-training questionnaire to evaluate learning at the end of the training. It will also help get feedback from the participants as well as give recommendations for implementation by the management
